**SUPPLEMENT TO
PETITION FOR RECONSIDERATION**

JBL Broadcasting, Inc., licensee of FM Broadcast Station WVEK-FM, Cumberland, Kentucky (JBL), hereby respectfully submits this Supplement to its pending Petition for Reconsideration in the above-entitled matter. A "Motion for Leave to File Supplement" is being simultaneously filed herewith. In support whereof, the following is shown:

1. The purpose of this Supplement is to report that Shawsville, Virginia Channel 273A applicants George S. Flinn, Jr. (File No. BP-19971022MC) and Grace Communications, L. C. (File No. BP-19971023ME) filed separate amendments to their respective applications on July 9, 2007 (see Exhibit A, a print-out from the CDBS application search facility on the FCC's website). Both

LIST ABOVE

these amendments are available for viewing on-line on the Commission's CDBS database system. The purpose of these amendments was to specify a common proposed transmitter site on Paris Mountain in Montgomery County, Virginia at NAD27 coordinates 37° 14' 47" North Latitude, 80° 19' 33" West Longitude. This transmitter site is 114.578 kilometers from the authorized transmitter site of WOLD-FM, Marion, Virginia (see Exhibit B), which currently operates on Channel 273A. Pursuant to Section 73.208(c)(8) of the Commission's Rules, a fractional distance is rounded to the nearest kilometer, meaning that the Flinn and Grace amended site is deemed to be 115 kilometers from WOLD-FM, and since Section 73.207(b) of the Rules requires 115 kilometer spacing between co-channel Class A FM stations, the Flinn and Grace amended site is fully-spaced to WOLD-FM, assuming its licensed operation on Channel 273A.

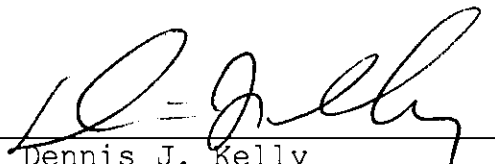

2. These amendments eliminate the impediment to the immediate grant of the rulemaking proposal proffered by JBL- to wit, the change of channel at Glade Spring, Virginia to Channel 263A, the restoration of licensed status to WOLD-FM on its existing Channel 273A allotment at Marion, Virginia, and the relocation of Channel 274 from Cumberland, Kentucky to Weber City, Virginia and upgrade from Class A to Class C3 status.

WHEREFORE, JBL Broadcasting, Inc. urges that its Petition for Rulemaking **BE GRANTED**, that Channel 274 **BE REALLOTTED** from Cumberland, Kentucky to Weber City, Virginia and upgraded to Class C3 status, and that the changes to the FM Table of Allotments at Glade Spring and Marion, Virginia proposed herein **BE ALLOWED**.

Respectfully submitted,

JBL BROADCASTING, INC.
